**THE FIRST TIME ON STAGE for an Individual Talent COULD BE MADE MEMORABLE**

[www.firsttimeonstage.com](http://www.firsttimeonstage.com)

**Dear Parent/Sponsor,**

Prodigy Talent or Special talents and qualities usually manifest at a young age. Parents, well-wishers of the child always want to capture such moments in a photograph or video. Even at times a senior person could be exhibiting great talent and want to record that in a photograph/video.

FIRSTTIMEONSTAGE will be keen to provide such an opportunity and stage for talents to be displayed "first time on stage". The performance or the skills displayed is not to be considered the same as Debut or Arangetram performance, which will be guided by the Teacher/Guide/Mentor and in consent with parents and also requiring an invited audience. That will be a milestone event and somewhat bigger in scale of organizing than the FIRST TIME ON STAGE event.

This is an opportunity to record for memory/posterity for the talented child/person to take a trial or perform for a limited time (minutes to an hour) FIRST TIME ON STAGE and get this to be showcased amongst family members/ society or global audience.

FIRSTTIMEONSTAGE has chosen a few areas/skills as its focus initially and parents of talented children/individuals who are keen can use our services to get these activities done:

1. The talented child/person gets a stage to perform. (for music -support artistes could be arranged based on availability)
2. The program gets recorded and can be webcasted live (optional). (also depends on location of recording)
3. The recording will be given as a soft copy after the program to the performer (or may be given within three days of the program)
4. Certificate will be issued with the name of the child/person who performed. If a rating needs to be done then it will be based on the type of performance and subject to a panel of judges who will decide. (this will be at the discretion of FIRSTTIMEONSTAGE Management)
5. The event as a FIRSTTIMEONSTAGE event for the talented child/person will be indicated in the website [www.firsttimeonstage.com](http://www.firsttimeonstage.com) and if the video is uploaded by the performer/performer's Guardian or parent in youtube.com or any other site the same may be referred in the FIRSTTIMEONSTAGE.com website and a link provided (if the same is informed by the performer/performer's guardian or parent to the FIRSTTIMEONSTAGE Management)
6. The video of the event as detailed in point 5 could be uploaded in youtube.com through the FIRSTTIMEONSTAGE channel. (The uploading of video will be based on the discretion of the FIRSTTIMEONSTAGE management)

All performers whether as a professional or in passion for their hobbies -in future will recall the first time on stage always. For the busy parents and for their talented child's opportunity to perform – FIRSTTIMEONSTAGE provides all this at an affordable price.

If interested please fill in the details next page and send to us.
